Maharishi Vidya Mandir, Bhandara, Maharashtra   *2016 - 2020*
SSC (Class X), Percentage: 70.00

LANGUAGES: English, Hindi and Marathi

PROFESSIONAL EXPERIENCE

SUNFLAG IRON AND STEEL CO.LTD.   Bhandara, Maharashtra / India
Software Development Intern   December 2024

- Gained practical exposure to software development in a real-world industrial setting, enhancing my technical and problem-solving skills.
- Worked closely with industry professionals, refining my ability to communicate technical solutions and collaborate effectively in a professional environment.

Technologies Used: [Visual Basic 6.0, MS Access]

- Developed a software solution for the **SMS Process Log Sheet** to digitalize daily heat preparation records, replacing the manual register system. Enhanced efficiency, accuracy, and data management by enabling computerized logging of daily reports.
- Streamlined data retrieval and report generation, reducing manual effort and minimizing errors.Improved record-keeping and accessibility, ensuring seamless tracking of production processes.

PROJECT

E-Commerce Website | [Link](#)

- Developed a fully functional **e-commerce platform** specializing in clothing and lifestyle products, ensuring a seamless shopping experience. Implemented **intuitive navigation, secure payment integration, and a responsive UI** for enhanced usability and accessibility.
- Integrated **key features** such as product catalog management, order processing, user authentication, and a streamlined checkout process. Designed with a focus on **performance, scalability, and user-friendly interaction** to optimize the online retail experience.
